Subject: Hanson change of ownership

Hi Sally,

Despite the change of ownership form not being filled out as we would prefer, I feel we have enough information to make the changes. We need to add Sandra Hansen wherever she is missing and remove anyone other than Sandra and Norman when we find someone else.

Deeds all show ownership to Sandra and Norman except for one that is a personal representatives deed and only lists Norman as a grantee. However, Norman is requesting we add Sandra so we can add her.

As far as the addresses, use the address found in 67-4057.

Thanks,

c
