EXPLANATORY MATERIAL: BASIS OF CLAIM - License

Use of water under this water right will be regulated by the watermaster of State Water District No. 63.

The maximum diversion volume is defined as the maximum allowable volume of water that may be diverted annually from the source under this right. The use of water confirmed by this right is limited to the amount which can actually be beneficially used. The maximum diversion volume may be adjusted to more accurately describe the beneficial use or to implement accepted standards of diversion and use efficiency.

Modifications to or variance from this license must be made within the limits of Section 42-222, Idaho Code, or the applicable Idaho law.

This water right is appurtenant to the described place of use.

This right is subject to all prior water rights and may be forfeited by five years of non use.
