RE: Verification of domestic homes for SRBA claims 85-15532, 85-15533 and 85-15534

Dear Claimants:

I am reviewing the SRBA claims mentioned above and would like to use this letter to address some confusion regarding placement of domestic houses. You paid a \$25 filing fee for each claim, which would lead us to believe it was your intent to file a single family domestic use, along with stockwater use, on each property.

Each of the above claims lists domestic use for 1 home and stockwater use for 100 head of range cattle. In examining the available satellite imagery of these places of use (POUs), I am having trouble locating the domestic homes on these properties.

I have included satellite imagery of the area from 2004 for each property. Please mark location of the spring and location of the domestic house for each claim and return it to me at this office.

If you have any questions, please feel free to call me at (208) 287-4907.

Respectfully submitted,
