**Re: Redstone Partners, LP;
SRBA Claim No.: 37-22155**

Dear Doug:

This letter will confirm our telephone conversation the other day regarding the Director's Report for the above-referenced water right claim in the name of Redstone Partners, LP. Apparently the recommendation for this water right was omitted from the Director's Report filed with the Court. Will you please be certain it is included in the next report which may be filed with the Court for this basin.

Thank you for your continuing cooperation and assistance in these matters.

Sincerely yours,
