) For Water Right: 21-07327

RECEIVED
MAR 15 2007
DEPARTMENT OF
WATER RESOURCES

On February 2, 2007, a *Partial Decree* was issued for the above-captioned water right. On February 7, 2007, the Court received correspondence from the Idaho Department of Water Resources (IDWR) indicating that the *Partial Decree* contained a clerical error with respect to the rate of diversion. The Court reviewed the legal quantity description and the recommended change from a combined diversion rate of 308 cfs to 0.08 cfs, which was the indicated clerical error. Accordingly, the Court intends to issue an *Amended Partial Decree* to correct the clerical error in accordance with the attached as provided by IDWR for this uncontested water right.

Therefore, IT IS ORDERED that a hearing will be held on this matter on **April 17, 2007, at 1:30 p.m.** at the Snake River Basin Adjudication Courthouse, 253 3rd Avenue North, Twin Falls, Idaho. Any party wishing to object or comment on the Court's proposed action shall do so at that time. Attendance at this hearing by the claimant is not required, as the Court will take the proposed action in the absence of any objection to the contrary. Telephone participation will be available by calling 1-918-583-3445 and entering 406128 when prompted.
