Notice of Change in Water Right Ownership - #2-10019 and 2-10020

Dear Mike,

The Notice of Change in Water Right Ownership you submitted for the two water right claims referenced above has been processed. You will receive a copy of the Notice of Completed Proceeding in the near future.

The Notice of Claim for #2-10019 was never completed. The quantity is the same as recommended to the Court in #2-2361 with an earlier priority date.

Application for Permit #2-7409 is still pending consideration for a permit to divert and is in Jay's name yet. Contact our Western Region Office at 334-2190 if you wish to pursue this application.

Sincerely,

Sally Sherman
