RE: \_\_\_\_\_

Conversation: \_\_\_\_\_

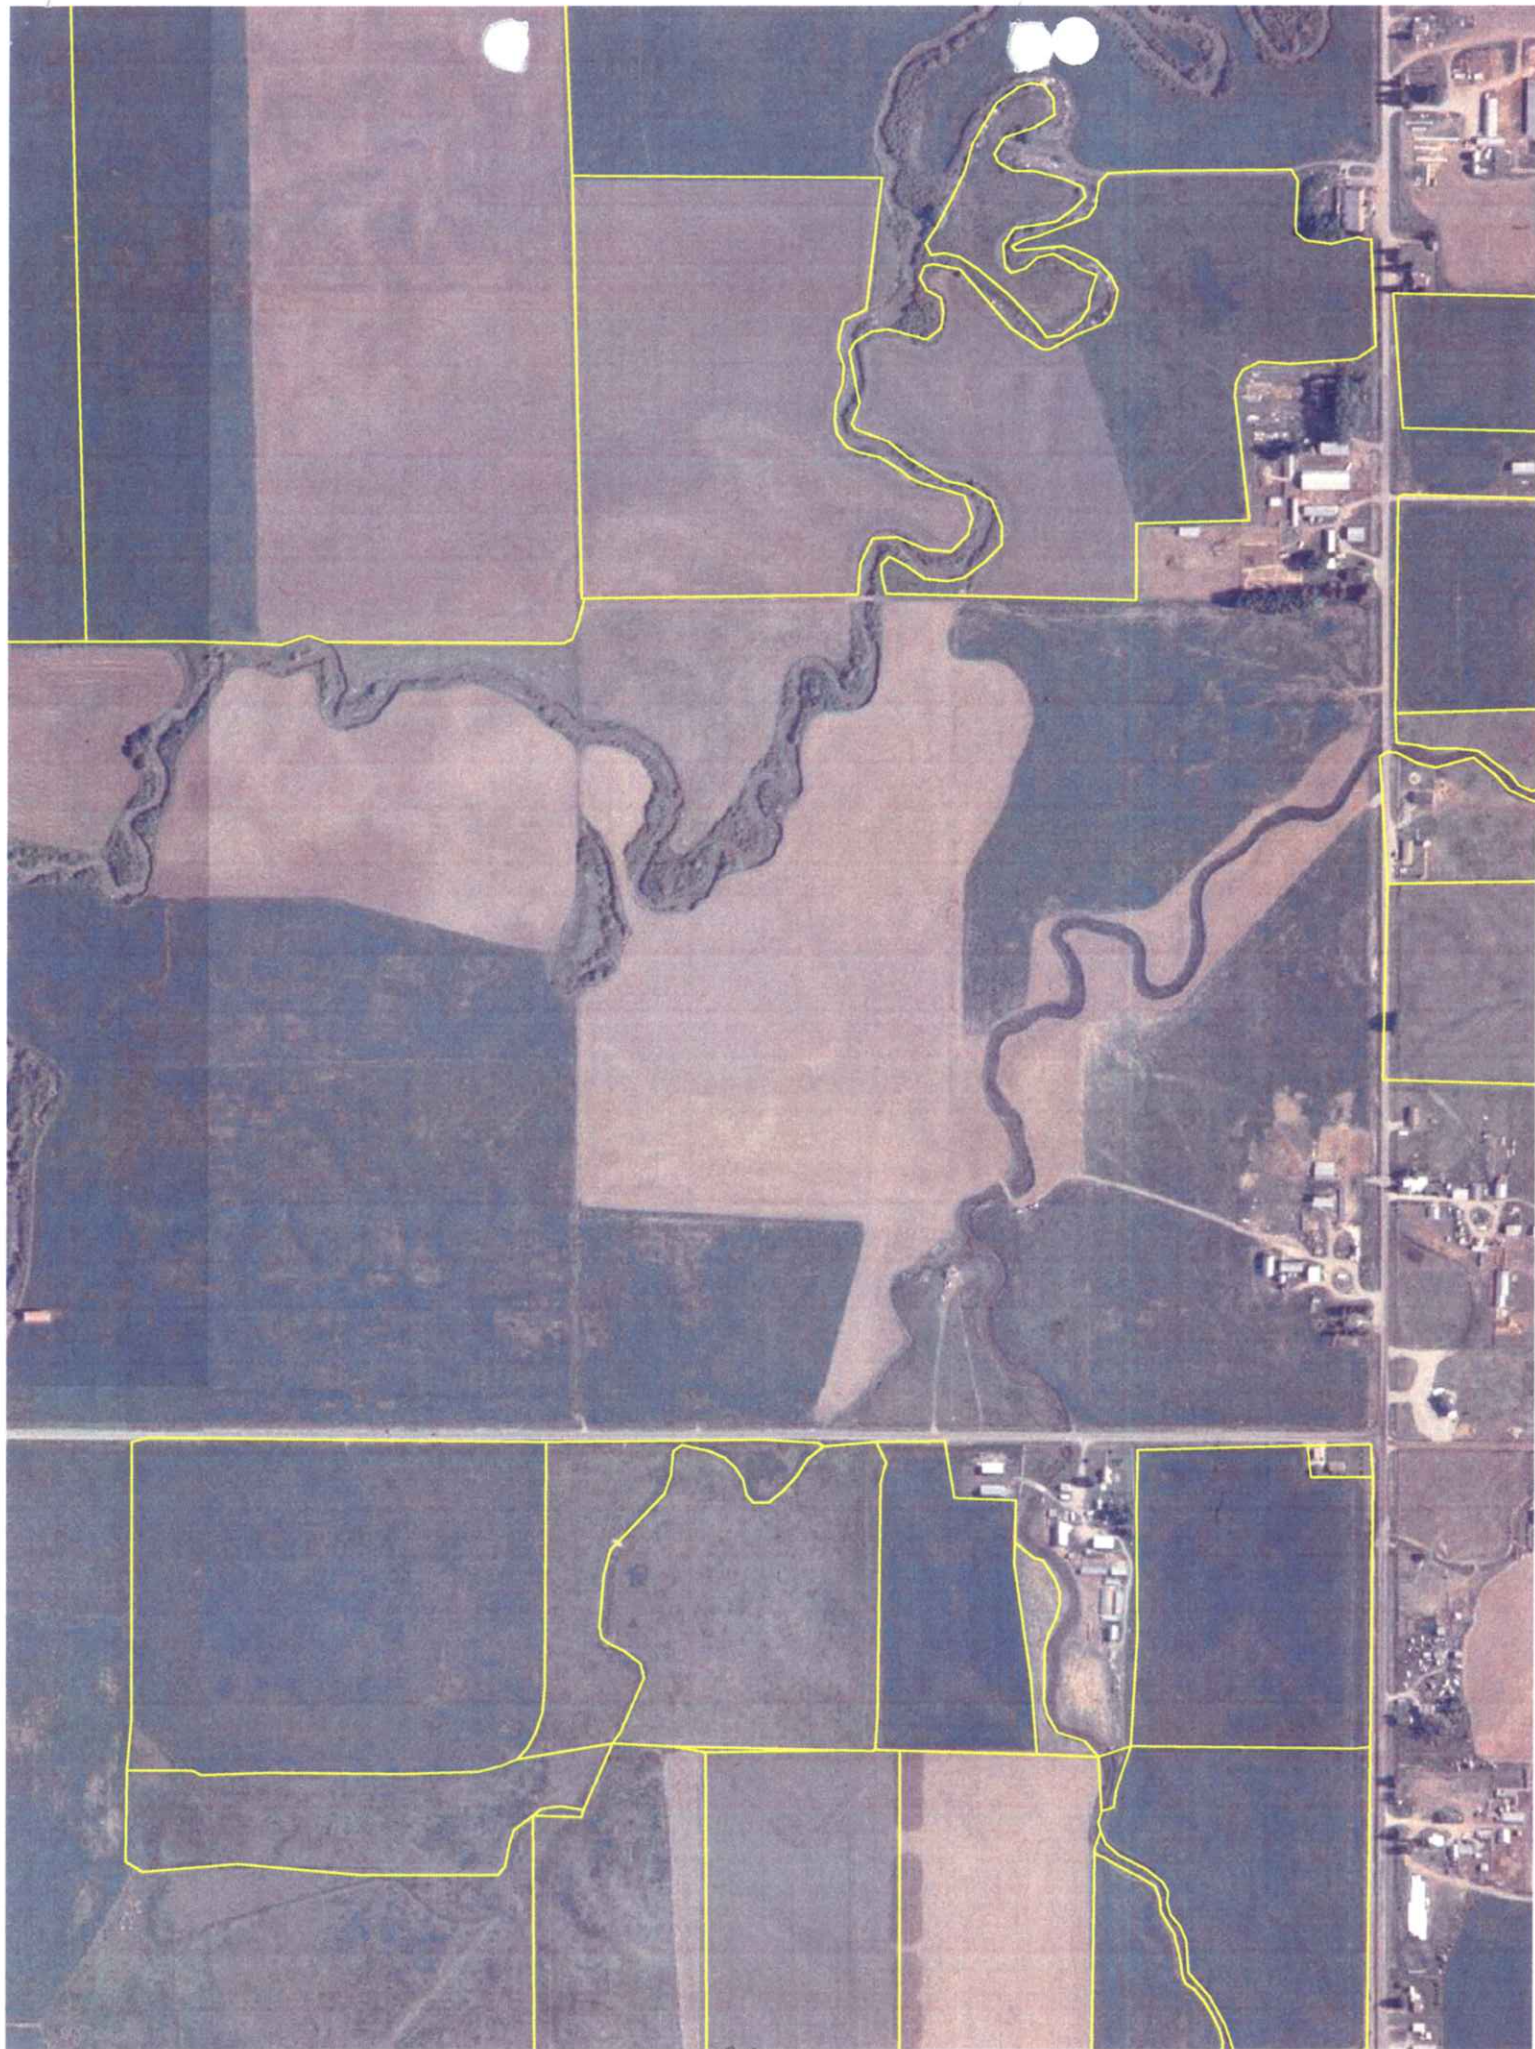

\_\_\_\_\_  
I went to the ASCS office looking for a farm map for the Robinson claim. Chad provided me with the attached layout of the area covered by this claim. They do not have a farm file for Robinson. When a farmer has land in both states (Idaho and Wyoming), the farmer has the option of have one state handle both farms. In this instance, Wyoming is managing the ASCS files for this claimant.
