Subject: RE: Question about ownership change

hi,
I do have a signed ownership change form in file 24-4018 that is incomplete. Would you please make a note on the documents that it goes with the ownership change form in file 24-4018 when you send it down.
Thanks,
Cindy

Subject: Question about ownership change

Hi. Do you happen to have an ownership change in 24-4019 from Geneva Land and Cattle to Kevin Toner? Or maybe from Scott Eskelson? I have a deed from Kent Foster's office that is supposed to go with the form. Just trying to locate things ... thanks. Jen
