RE: Recommendation for SRBA claim 67-14838

Dear Mr. Woods:

Per our conversation earlier today, I am enclosing a map showing how water right 67-10483 was split to become 67-14837 and 67-14838. As you know, 67-14837 was given 7 acres of the 10 acres of 67-10483 and 67-14838 was given three acres after the recent change of ownership. I have also enclosed an objection form for you to file so we can reopen the file because you said the water right should have been split so each got five acres. For our information, when you file the objection form, please send copy of the map outlining how the acres should have been split.

Please contact me at (208) 287-4907 if you have any questions or need any assistance.

Respectfully submitted,

Monica P. Van Bussum
Sr. Water Resource Agent
