Identify water right(s) for which extension is requested

State why an extension of time is requested explaining how a diligent effort has been made to meet the deadline:
The person who was responsible for getting the necessary documentation together so
that the claims could be filed did not do her job. We only recently became aware of
this, so do not have enough time before the deadline to complete the paperwork. We
are working as fast we can, but this is 1/1 a large ranch with many water rights.

Claimant requests an extension to February 19, 19 90
