Change in use; insufficient evidence of date of change.

EXPLANATORY MATERIAL: BASIS OF CLAIM - Decreed

Change in use, insufficient evidence of date of change: This is included for a claim that is proposed to be disallowed because use of the water right was changed without prior IDWR approval and the claimant did not submit sufficient evidence from which the date of the change could be determined. The date of change is necessary to determine if the right may be claimed as changed without prior IDWR approval, and if the change will result in injury to other water right holders.
