E. REASONS SUPPORTING OBJECTION(S):

The “Minidoka Credit” remark is unnecessary since the reference to the provision in the Foster Decree has been resolved by agreement amongst the affected water right holders. In addition, the Director has already issued his recommendation for this water right in the Basin 01 Part 1 Report and has no authority to unilaterally change that recommendation by a subsequent report.

Condition of approval number 2 “The appropriator shall exercise this right...” should be stricken.
