	)	MOTION TO PARTICIPATE

COMES NOW the Lewiston Orchards Irrigation District (LOID), by and through its attorney, seeking an order allowing the LOID to participate in the above described subcases. This motion is made on the grounds and for the reasons more fully set forth below.

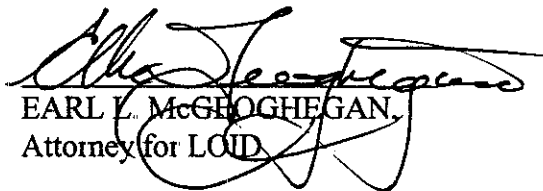

The LOID is an irrigation district duly organized under Idaho Statutes and further developed by Congressional Act of July 31, 1946 (60 Stat. 717, Public Law 79-569), commonly known as the Lewiston Orchards Project. The LOID is beneficiary of the water rights held by the United States under the 1947 construction contract between the LOID and the United States Department of the Interior, Bureau of Reclamation, and is subject to the SRBA jurisdiction.

As an interested party beneficiary, the LOID has been participating in settlement efforts

of the parties, the United States of America and the Nez Perce Tribe of Indians, in the above described subcases. Though some objections between the parties have potentially been resolved, others have not and a trial has been scheduled by the court to address any remaining unresolved issues. LOID believes that the interests of the LOID property owners and customers of its irrigation water distribution system would be best served if LOID was accepted by the court as a party in the above described subcases.

This motion is filed in accordance with SRBA AO1 Rules of Procedures paragraph AO1(10)(k) and within the time prescribed by the court's Trial Scheduling Order deadline of May 1, 2007 for said filing.

DATED this 18th day of April, 2007.

EARL L. MCGHOGHEGAN,
Attorney for LOID
