Attn: David R. Tuthill, Jr., P.E.

Dear David

Last December I received a preliminary recommendation for reporting my water claim to the SRBA District Court. In turn I sent a Notice of Error Reply to which I have not yet received an answer or inquiry.

On March 8, 2007 I received another recommendation intent with no apparent changes from your initial letter that leads me to question where we have gone with my original reply?

Please help me to understand the procedure I need to follow as well obtain any forms necessary to create changes in the current water right you have set forth in my name if this has not already been initiated by my earlier communication.

Sincerely yours

Mary Ann Knight
