CONDITIONS OF APPROVAL

1. Place of use is within the boundary of New Sweden Irrigation District pursuant to Section 43-323, Idaho Code.
2. The boundary encompassing the place of use for this water right is described with a digital boundary as authorized by Idaho law. The data comprising the digital boundary are stored in the electronic document management system of the Department and are incorporated into this approval by this reference. A map depicting the place of use is attached to this approval document to illustrate the place of use described by the digital boundary.
3. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 01.
4. The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion(s).
5. When water is not available to fill this right, the right holder shall cease diversion, shall rent water from the Water District 01 Rental Pool, or shall otherwise mitigate the depletion of water caused by this water use.
6. This right is limited to the irrigation of 27,920 acres within the place of use described above in a single irrigation season.
7. The right holder shall accomplish the change authorized by this transfer within one (1) year of the date of this approval.

WATER RIGHT NO. 1-134A
As Modified by Transfer No. 71810

CONDITIONS OF APPROVAL

8. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.
9. Approval of this transfer does not preclude the opportunity for review of the validity of this water right in the ongoing Snake River Basin Adjudication.

This water right is subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
