

W A T E R D E E D

THIS INDENTURE, Made this 13th day of July, 1943, between FARREL L. HANSEN and his wife, LILLY W. HANSEN, of Bonneville County, State of Idaho, the parties of the first part, and ABNER C. SNARR, also of Bonneville County, State of Idaho, the party of the second part, WITNESSETH:

That the said parties of the first part, for and in consideration of the sum of Ten and No/100 (\$10.00), lawful money of the United States of America, as well as other valuable considerations, to them in hand paid by the party of the second part, the receipt whereof is hereby acknowledged, have granted, bargained and sold, and by these presents do grant, bargain, sell, convey and confirm, unto the said party of the second part, and to his heirs and assigns forever, all of the following described water and water right, to-wit:

3.70 cubic feet per second (185 miner's inches), of the waters of the Snake River, being a part of the following described Transferred Water Right, namely:

4.56 cubic feet per second (228 miner's inches) of the waters of the Snake River, heretofore decreed to the Rudy Irrigation Canal Company, Ltd., by decree of Judge Stevens, of the Sixth Judicial District of the state of Idaho, in and for the county of Fremont, in the case of Rexburg Irrigation Company, Plaintiff, vs. Teton Irrigation Company, et al., Defendants, said decree bearing date of December 16, 1910, which said water has heretofore been represented by stock certificate #732, for 76.02 shares of the capital stock of the Rudy Irrigation Canal Company, Ltd., and now represented by Transferred Water Right Certificate of the Department of Reclamation of the state of Idaho, numbered 637, which water is now being diverted from the Snake River through the Great Western Canal of the New Sweden Irrigation District, in the counties of Jefferson and Bonneville, state of Idaho, SUBJECT to any river loss charged in said Transferred Right Certificate, and to any canal loss or carrying charge, charged or chargeable by the New Sweden Irrigation District; and also SUBJECT to assessments levied by said Rudy Irrigation Canal Company for the year 1942 and thereafter.

It is understood and agreed by and between the parties hereto that the water and water right conveyed by the first parties to the second party shall be subject to the pro rata river and canal losses provided for in the preceding paragraph, and shall be subject to the provisions stated in said preceding paragraph and the burdens imposed thereby upon the aforesaid 4.56 cubic feet per second. The latter water right is also described in a certain Corporation Deed dated May 24th, 1943, and which has been shown of Record in Book 8 of Miscellaneous Records at Page 189, Records of Bonneville County, Idaho.

TOGETHER with all and singular the tenements, hereditaments, and appurtenances thereunto belonging or in anywise appertaining, and the reversion and reversions, remainder and remainders, rents, issues and profits thereof, and all estate, right, title and interest in and to the said property, as well in law as in equity, of the said parties of the first part.

IN WITNESS WHEREOF, The parties of the first part have hereunto set their hands the day and year hereinabove first written.
