

IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT OF THE
STATE OF IDAHO, IN AND FOR THE COUNTY OF TWIN FALLS

In Re SRBA	)	SUBCASE NO: 74-724
	)	(SPLIT INTO 74-15740 & 74-15741)
	)	
Case No. 39576	)	STANDARD FORM 5
	)	
	)	STIPULATED ELEMENTS OF A
	)	WATER RIGHT

This form is used to report the stipulated elements of one water right acquired under state law. Submission of this form will not automatically result in the issuance of a partial decree. The Presiding Judge or Special Master will conduct any hearing necessary to determine whether the facts, data, expert opinions and law support the issuance of a partial decree for the water right.

The parties agree that the Snake River Basin Adjudication Court has jurisdiction of the parties and subject matter to enter a partial decree for this water right; and they have been served with sufficient process, according to the law; and that they have appeared, prosecuted and defended their positions with regard to this water right dispute.

To resolve the objection, the whole of water right 74-724 was split into two water rights and renumbered as 74-15740 and 74-15741. The parties and IDWR agree and stipulate that water right 74-724 should be disallowed. Water rights 74-15740 and 74-15741 now supersede right 74-724. The parties and IDWR have further have indicated their concurrence to these renumbered water rights by signing below and initialing the attached page.
