E. REASONS SUPPORTING OBJECTION(S):

The point of diversion in Lot 4 NWSWNE Section 36, T2N, R15E is on National Forest System (NFS) land. The claimants are not authorized to occupy and use NFS land for this purpose. In addition, the places of use in Section 36, T2N, R15E are limited to traditional quarter-quarter descriptions. Section 36 includes parts of three Homestead Entry Surveys, ten government surveyed Lots, and only four traditional quarter-quarters. We suspect that the places of use are intended to be entirely on private land, part of HES 291, and that the legal description of the places of use should be changed to reflect this survey information.
