I, Vance Burrup, to the best of my knowledge, remember Ernest Moser using water for domestic use from Indian Creek water source, since approximately 1959, at the residence of 73 South Indian Creek Road, Inkom, Idaho, which residence is now occupied by Mr. Moser's daughter, LaRue, and son-in-law, Max Whitworth. Also on the same property, another daughter, Johanna, and son-in-law, Maynard Wallace, living at 247 South Indian Creek Road, Inkom, Idaho, have been using water since approximately 1973. They are requesting the use of Indian Creek for domestic water use.
