Dear Sir:

On February 5, 2007 our office received your change in water right ownership form and a copy of your deed, along with a check for \$100. The change in water right ownership form was submitted for adjudication claim 22-208E. Attached is a copy of the Director's Report for that water right. Because the adjudication claim has not yet been decreed by the SRBA court, there are no fees associated with the processing of the requested change. Therefore, we are returning your check. However, before we can process the change in ownership, we need to see the chain of title back to Darin D. and Myra C. Kerr, the owners of the property as of July 1991.

Please contact me at 208-525-7161 if you have questions.

Sincerely,

Michael Holliday
