- POV is NWNE and is still owned
SWSE
by Larry Kunz
- Skip took file in 1993 and that's what
drane claimed.
- Larry Now owns property (see C/O form) and
is used the way the original claim map
shows.
- Recommend original POV with a COS.
- How do we recommend flow rate?

Claimant Contact Log

Date	Remarks	Agent initials
------	---------	----------------

11-2-2006	I visited with Larry Kunz - Teton Rainbow Ranch. He states that he now owns the ground that Duane & Jean Kunz had filed on for claim 22-587 + 22-13511.	
-----------	---	--

	Larry says that Duane Kunz was allowing Paradise Spring water to flow into the Teton River then redirecting water with the pump at White Bridge since the mid 1970's.	
--	---	--

	The original P.O.U. for 22-587 on the water right record is listed as a "Hemstreet not described in decree"...	
--	--	--

	Larry Kunz ~~last~~ bought this ground back in 1993 and the P.O.U. is SWNE + NWSE, not the ground listed on A22-13511. Also the acreage is 76 acres.
