Re: Late filing fee - Claim No. 63-32592

Dear Don,

Enclosed is the late filing fee for SRBA Claim No. 63-32592. The hearing on the motion to file the late claim was held May 15, 2007. The order granting the motion was issued May 21, 2007 and we believe the claim has now been forwarded to IDWR for review and recommendation in the *Director's Report of Late & Miscellaneous Claims* issued each year.

Nick Spencer identified the need for the late filing fee during the hearing on the motion. Please let me know if you have additional questions concerning the claim.

Sincerely,
