RE: SPLIT OWNERSHIP OF WATER RIGHT 22-78, 22-84, 22-13246

Dear Mr. Price:

Review of your "Notice of Change in Water Right Ownership" reveals a portion of the water right(s) listed above is appurtenant to your property. However, our office is unable to split water rights in Basin 22 until after we submit the Director's Report to the Snake River Basin Adjudication Court. Therefore, you have been added to the water right record(s) as a "present owner." This designation will allow you to receive copies of mailings that pertain to the water right(s) listed above.

Splitting rights will be completed following distribution of the Basin 22 Director's Report scheduled for mailing in 2006. At that time we will designate you "current owner" of your portion and notify the SRBA Court, so the water rights appurtenant to your property will be adjudicated in your name.

Respectfully,

Jennifer Crabtree
Technical Records Specialist

RE: Adding Present Owners

Per the procedure developed in August 2005 by the state office staff, legal, and the court, I added the new claimants as "present owners" and left the old claimants as "current owners". Once the director's report is issued and all the ownership changes are received, the recommendation will be split as per our normal procedure.
