Case No. 39576

STIPULATION TO RESOLVE
OBJECTION

This form is used to report the stipulated elements of one water right acquired under state law and/or one federal reserved water right. Submission of this form will not automatically result in the issuance of a partial decree. The Presiding Judge or Special Master will conduct any hearing necessary to determine whether the facts, data, expert opinions and law support the issuance of a partial decree for the water right.

The parties agree that the Snake River Basin Adjudication Court has jurisdiction of the parties and subject matter to enter a partial decree for this water right; that they have been served with sufficient process, according to the law; and that they have appeared, prosecuted, and defended their positions with regard to this water right dispute.

The Claimant, IDWR, United States Bureau of Indian Affairs and the Shoshone-Bannock Tribes agree and stipulate to the elements as changed in the attached document as indicated in underline/strikeout format.

The Claimant and IDWR acknowledge that there still remain outstanding objections by the Shoshone-Bannock Tribes and the objection by the United States Bureau of Indian Affairs to the lack of annual volume and any responses by the State of Idaho.
