

MEMORANDUM

Date: June 15, 2007
Revised: June 19, 2007

To: Sally Sherman
Allocations – Change of Ownership
From: Craig L. Saxton
Subject: Scism Change of Ownership

This is essentially 5 different changes of ownership. Doug Scism has taken his property's and divided them into 5 different LLC's. In order to obtain the necessary documents to change ownership on all of the rights included, I had to sift through two packets of information. One packet was submitted on 4-11-07 and another was hand delivered on June 6, 2007. You will see that some of the information has been scanned and some has not. In addition you will see two cover letters.

Please scan each of the individual 5 packets as a separate change of ownership. Essentially there are 5 changes of ownership. In other words, despite that all the information came in together, don't scan the "2 BAR S VENTURES LLC" to the water right numbers associated with "SOUTH RANCH VENTURES, LLC".

The appropriate fees have been paid for the partially decreed water right's or records maintained on the water right database. All SRBA changes should be change of the entire right without splits.

One water right record under the allocations jurisdiction needs to be split. I have explained what I know about that split at the bottom of this memo.

Below is a list of what water rights are applicable to what LLC.

This office has received the Notices of Change of Water Right Ownership that you recently submitted on behalf of West Ranch Ventures LLC and South Ranch Ventures LLC. We also received check No. 12542 in the amount of \$75.00; however, we are returning it to you, as the ownership change fee is not required for these particular water right claims. These claims have not yet been decreed by the Snake River Basin Adjudication Court. The ownership change is being processed and a copy will be mailed to you upon completion.

If you have any questions regarding this letter, feel free to contact our office.

Re: Scism

Dear Craig:

Please find enclosed copies of the following deeds:

2 Bar S Ventures, LLC

- Bargain and Sale Deed transferring property from Sunshine Ventures, L.P. to 2 Bar S Ventures, LLC
- Bargain and Sale Deed transferring property from Douglas M. Scism to Sunshine Ventures, L.P.

West Ranch Ventures, LLC

- Bargain and Sale Deed transferring property from Sunshine Ventures, L.P. to West Ranch Ventures, LLC
- Bargain and Sale Deed transferring property from Douglas M. Scism and Charleta A. Scism to Sunshine Ventures, L.P.
- Quitclaim Deed re: all water rights (The J. Harold Scism and Ninni H. Scism Trust to Douglas M. Scism and Charleta A. Scism)

South Ranch Ventures, LLC

- Bargain and Sale Deed transferring property from Sunshine Ventures, L.P. to South Ranch Ventures, LLC
- Bargain and Sale Deed transferring property from Douglas M. Scism and Charleta A. Scism to Sunshine Ventures, L.P.

Moonshine Ventures, LLC

- Bargain and Sale Deed transferring property from Sunshine Ventures, L.P. to Moonshine Ventures, LLC
- Bargain and Sale Deed transferring property from Douglas M. Scism and Charleta A. Scism to Sunshine Ventures, L.P.

Circle S Ventures, LLC

- Bargain and Sale Deed transferring property from Sunshine Ventures, L.P. to Circle S Ventures, LLC
- Trustee's Deed transferring property from Ninni H. Scism as Trustee to Sunshine Ventures, L.P.

Here is an overview of how the entities interrelate: Wild Horse Management, LLC, is the General Partner of Sunshine Ventures, L.P., and Douglas M. Scism is the Manager of Wild Horse Management, LLC. Sunshine Ventures, L.P., an Idaho limited partnership, is the single member of each of the following limited liability companies: 2 Bar S Ventures, LLC, West Ranch Ventures, LLC, South Ranch Ventures, LLC, Moonshine Ventures, LLC, and Circle S Ventures, LLC.

Therefore, if the new owner of a water right is West Ranch Ventures, LLC, the application would be set up for Doug's signature as follows: Douglas M. Scism, Manager of Wild Horse Management, LLC, the General Partner of Sunshine Ventures, L.P., the sole member of West Ranch Ventures, LLC. If any of the other four LLCs are the new owner of a water right, the application would be set up for Doug's signature similarly but substituting the applicable LLC's name for West Ranch Ventures, LLC.

If you have any questions or require further assistance, please do not hesitate to contact me at (208) 395-0001.

**INSTRUCTIONS FOR FILING
NOTICE OF CHANGE IN WATER RIGHT OWNERSHIP**

This form has been prepared to assist all claimants and owners of water rights to comply with the requirements of Sections 42-248 and 42-1409(6), Idaho Code. All claimants and owners of water rights are required to notify the Department of Water Resources (IDWR) of any change in mailing address or change in ownership of all or part of a water right. In addition, all purchasers of water rights within a pending general adjudication area must inquire whether a notice of claim has been filed and, if not, shall file a notice of claim if necessary.

Effective July 1, 2000, the Idaho Legislature amended Section 42-248, Idaho Code to include a provision for fees to file a Notice of Change in Water Right Ownership. Please see details at Item 8, below, to determine if fees are required for your filing.

Separate brochures are available from IDWR describing the adjudication of water rights and the requirement to notify IDWR of changes in ownership. Please contact your nearest IDWR office, or call 1-800-451-4129, if you would like more information or need help completing this form. Please attach additional sheets to the form if you require additional space to describe or explain any of the items on the form.

1. If there are water rights associated with the property, **the seller should be able to provide you with the water right or adjudication claim number(s).** Please enter the number(s) at **Item 1.** Corresponding water right and adjudication claim numbers should be listed next to each other on the form. You may have purchased only a portion of the water right(s) held by the seller. If so, the water right(s) held by the seller may need to be "split" to provide you your share of each right. Indicate if a split is required by checking in the space provided next to each water right.

If you receive water from a municipal provider, an irrigation district or other water delivery organization, where the water rights are held by the organization, please do not use this form to record a change. You may need to contact the water delivery organization to determine if any action is necessary.

If you or the seller believes there are water rights for the property but the numbers are unknown, you may wish to contact IDWR for assistance in identifying the water rights for the property in question. If adjudication claims for the rights are required and have not been filed, IDWR will so advise you.

2. The information described at **Item 2** is required, since IDWR cannot process the requested change without documentation of ownership. The preferred types of documentation are shown; contact IDWR if you have difficulty obtaining this information. **Do not** obtain a new survey for purposes of this form before contacting IDWR.
3. Please provide the name and address of the former owner/claimant(s) of the water right(s) at **Item 3.**
4. The name, mailing address, and telephone numbers of the new owner/claimant(s) is entered at **Item 4.** Please indicate the relationship between multiple owners by using the connector "and", "or", or "and/or." If an "and" is used, all parties must sign this form. If an "and/or" or "or" is used, all parties may sign; however, only one of the named parties is required to sign.
5. At **Item 5**, please provide the date the property in question was acquired. This may be the date of "closing" in the case of a real estate transaction or the date of court order for other types of ownership changes.

RECEIVED

APR 17 2000

6. You may have purchased only a portion of the water right(s) held by the seller. If this change in ownership divides the water right(s) among multiple owners, you must describe, in detail, your portion of each water right after the change. For each water right requiring a split between owners, fill in the appropriate spaces in the box(es) at **Item 6**. Copy the page as many times as necessary to fully describe each water right after the change. Include documentation as necessary to describe nonstandard agreements or arrangements regarding division of the water right(s). **If the water right(s) will not be split, skip Item 6 and go to Item 7.**
7. The new owner(s) must sign the form in the space(s) provided at **Item 7**. If an "and" connector is used at Item 4, all parties must sign this form. If an "and/or" or "or" connector is used, all parties may sign; however, only one of the named parties is required to sign. If someone other than the owner signs the notice, evidence of authority to sign for the owner must be attached. If the new owner is a corporation or other organization, the person signing the notice must be an officer of the corporation or otherwise have authority to sign for the organization and must include their title with the signature.
8. The Legislature has waived the fee to file a Notice of Change in Water Right Ownership for any water right pending in a general water right adjudication such as the Snake River Basin Adjudication. This waiver ends when a partial decree is issued for the water right that has been claimed. For water rights not pending in a general adjudication, the filing fee is \$25 per water right, except for those water rights which will be divided as a result of the change in ownership. The filing fee for division of a water right is \$100 per water right to be divided. When complete, you should retain a copy and return the original form to the IDWR office nearest you:
