E. **REASONS SUPPORTING OBJECTION(S):** A provision included in the Director's recommendation for water right no. 63-32345 states, "This right remains subject to the right of the original appropriator, in good faith and in compliance with state laws governing changes in use and/or expansion of water rights, to cease wasting water, to change the place or manner of wasting it, or to recapture it." Parties in Basin 63, Part 2, however, are currently developing a different provision to include in water rights with "waste water" listed as the source. Any such "waste water" provision contained in the partial decree for water right no. 63-32345 should be the same as that used for similar rights in Basin 63, Part 2.
