

NOTES

6-20-06

This right was originally 22-613E. However 22-613 is claimed in full by the Fullmer family and their related splits. South Leigh Crk LLC appeared to have no valid claim on it. In researching their POA, I found that they did have a claim on 22-611. There was a claim on it, but it is still temporary and the POA is now owned by several owners. I believe that South Leigh Crk LLC filed on the wrong WR. After discussion with Rob Harris of Kent Foster's office, we decided to renumber 22-613E to 22-611A, for a piece of 22-611.

Recommending as a PPU with 22-366B and 22-367B.
