Entry amended and additional
evidence required.

Register and Receiver.

Hailey, Idaho.

Sirs.

This Office is in receipt of your letter of April 14, 1922, wherein you referred to homestead entry CL7436 made by the above named party on June 18, 1918. You state that the facts shown on the originally filed are exactly the same as those on amended list 741 both being described by S. E. 3, 13, 711 and an application for amendment is obviously needless.

The records in this Office show that Mr. Hotzel originally made entry CL7436 of 711 acres described by section 36, Township 23S, Range 10E, S. 11, as restored under original list No. 741; that under amended list No. 741 an additional area of 71.16 acres was restored and that upon the original list was

Hailey 017436 "Q" NMB

excluded. the entire tract as described in amended list No. 711, being in conformity with H. E. S., covering a total area of 157.41 acres. You will, therefore, observe that the restoration of amended list No. 741 was for the purpose of enabling the entryman to amend his entry to include the additional area of 33.3 acres and eliminating 1.54 acres of the land originally entered, thus actually increasing the area of his entry only 32.41 acres.

The supplemental application filed by entryman will be treated as an application to amend and H. E. 017436 is accordingly hereby amended to embrace the land covered by H. E. S. No. 711 within sec. 25 T. 34 N., R. 10 E. and Secs. 19 and 20 T. 34 N., R. 11 E., S. M., containing 157.41 acres and the additional commissions under H. E. S. No. 30.

The entryman has been sworn in as a citizen of final naturalization and certified copy of his certificate of naturalization indicating he was naturalized on the 28th of August, 1914 before the clerk of the District Court of Idaho County, Idaho. Such evidence should be submitted on form 2216 and issued by the clerk of the court where naturalized. You will, therefore, allow claimant to file

Halley 017436 "C" NMB

proper evidence of citizenship as stated or to appeal.
In default of action the entry, hereby held for can-
cellation, will be canceled without further notice to
him from this office.

If claimant files satisfactory evidence of
citizenship, you will allow him to proceed with the
proof proceedings.

Very respectfully,

Assistant Commissioner.

Commissioner of the General Land Office,
Washington, D. C.

Sir:

On April 19, 1915, August Hotzel filed an application for the lands in List No. 741, in the Idaho National Forest, his application being allowed June 3, 1915.

On July 12, 1921, H. E. S. No. 711 was filed in connection with List No. 741, this being the land upon which Mr. Hotzel had filed.

By letter "C" NMB, dated February 10, 1922, a tract of 157.41 acres within Sec. 25, T. 24 N., R. 10 E., B. M., and Secs. 19 and 20, T. 24 N., R. 11 E., B. M., were restored, as stated therein, to enable August Hotzel of Pollock, Idaho, to amend his H. E. 017436 in accordance therewith. This tract was embraced in Amended List 741, and described by H. E. S. No. 711.

That letter allowed any settler to exercise a prior right of entry at any time before April 25, 1922, and in accordance therewith Mr. Hotzel filed the enclosed application.

As the letter of restoration stated that the land was being restored to enable August Hotzel to amend his entry in accordance therewith, it might naturally be supposed that an application for amendment would be necessary, but as the land in List No. 741, on which he originally filed, is exactly the same land as that in Amended List 741, both being described by H. E. S. No. 711, an application for amendment is obviously useless; he could only ask to amend his entry to contain the land it already embraces.

With the application we are transmitting, this entryman filed a notice of intention to make final proof. He has, he states, lived on the land since 1915, the date of his original filing. Will you kindly instruct us whether we can proceed with the final proof, or whether any other steps are necessary before proof can properly be made?

In April 1915 I mad application at New Meadows Idaho County State of Idaho for 125 acers of land for home-staed purpose and this tract was allowed to me by the Hailey Land Office on June 18th. 1915 having the following Numbers. "Serial No. 017436" "Receipt No. 1578522" List No. 741

Now what my trouble is - is that - I did send with my application also my Citizen paper to Hailey and those gentlemen send them to the general Land Office. I had at that time the idea I would get a cappy back but I was informed different after I inquired about my Citizen paper. I was by the County Clerk and he said I had to write to the General Land Office about it. So I would like to ask very kindly to send a cappy of my Citizen ship paper as I might need it on election day.

Sir:

Referring to your letter of the 5th inst., you are informed that the description of the land contained in your forest homestead application did not contain the number under which it was listed for entry, if it was listed at all, and on that account it is impossible for this ~~in~~ office to tell whether the land has been listed and is subject to entry or not. You could doubtless obtain information as to whether the land has been listed by writing to the Forest Supervisor for the forest in which the land is located. If it has been listed, and you will ~~next~~ furnish this office with the List No. of the tract, the application will be taken up again and considered with a view to its allowance. If it has not been listed, it will be necessary for you to take up the question of the examination and listing of the land with the Forest Supervisor having charge of the National Forest in which the land is located.

Dear Sir:-

Replying to your letter of June 1, 1915, allow me to state that since we have found where your land was located, your application will be taken up for appropriate action, and will very likely be allowed within a few days. Your description was all right except that you did not give the approximate section, township and range it was located in, nor the list number. The person inserting in your application the description/omitted the first part of same giving this data, and as we have several hundred first lists in the office it was impossible to find your location without the above. Had you written us before this that it was the Michael Hogan entry, we would have acted on your application some time ago. It will be useless for us to send you the description you ask as same will be included in your Notice of Allowance if your application is allowed, which will probably be done within a few days.

Dear Sir:-

Please allow me to send you a letter which refers to that Michael Hogan homestead in Chamberlain basin Idaho Co. for which I made homestead application on April 16th 1915.

On April 19th of this year I was informed by ^{your} office that this application was rejected and on May 15th you informed me that the description of the land in my homestead application did not contain the correct number under which it was listed for entry if it was listed at all.

As you state in that letter of October 5, 1914 to Mr. W. B. Boydston that that land (which is the same I am referring to) was open already at that time for entry - so I assume that I can get the correct list number and field notes of that said Michael Hogan homestead directly from your office and I am asking you kindly to mail

it to me. I also wish to state that my further
address will be "Warren Idaho"

Very respectfully

To the commissioner of the General Land Office
Hailey Idaho.

Dear Sir:

Your favor of April 14th came to hand on May 3rd and I wish to say that I was informed by some party's that the land referred to as "Serial No 017436" on which I filed on April 16th was listed or thrown open for entry some years ago already.

As I see by your letter that this information was incorrect - so I would ask you kindly for further information in regard of that tract of land which I would like to have listed to me by the department as subject to entry

Very truly yours

August Hotzel

State of Idaho,)
County of Adams.) ss:--

On this 16th day of April, 1915, before me, A. B. Lucas, a United States Commissioner, in and for the District of Idaho, personally appeared August Hotzel, of Pollock Idaho, who being duly sworn on oath deposes and says:--I am the identical person who this day made application to enter under the Homestead Laws of the United States, the tract or parcel of Land in the National Forest described as beginning at the corner No. 1, a wooden post 6"x6" marked ~~+~~ set 1 1/2 feet deep and surrounded by a mound of earth whence F.S.M. (around granite boulder 23' in diameter on the trail which follows the brow of bluff north of Chamberlain Creek, about 12 chains above the point where Cabin Creek joins Chamberlain Creek; F.S.M.H. chiseled on top of monument, also a cross as a definite ~~marking~~ point from which to chain) bears South 69 degrees west, 2.77 chains, extending thence north 49 1/2 degrees East, 53.90 chains; thence South 20 1/2 degrees, east, 7.71 chains; thence South, 32 1/2 degrees, west, 18.73 chains; thence South 49 degrees, west, 14.13 chains; thence South 18 1/2 degrees west, 17.07 chains; thence South 68 1/2 ~~degrees~~ degrees, west, 35.50 chains; thence North, 22 degrees, west, 19.75 chains; North 71 degrees east, 24.53 chains, to the place of beginning. Variation 20 degrees, east.

I further swear that I am well and personally acquainted with said land; that it is situated in Idaho County, Idaho, about 300 miles from the District Land Office at Hailey, Idaho, computing the distance by the usual route of travel; that ~~xxxxxx~~ I am now and have heretofore resided in the same land district as the officer before whom I make my application and this affidavit: that I make my application before him because he is the nearest and most accessible officer to said land and on account of the great distance to the District Land Office and the save the expense of a journey thereto.

That there is no regularly traveled road, trail or mail route from the locality of said land to the District Land office and to visit Hailey to make my entry will oblige me to travel at least 300 miles, a great part of which is either on foot or over mountain roads and trails.

Wherefore I ask that my application be accepted, even though made outside the Land District in which the land is located.

August Hotzel

Subscribed and sworn to before me this 16th day of April, 1915, at my office in New Meadows, Adams County, Idaho, in the Boise, Idaho, Land District.
