RE: ERROR ON WATER RIGHT 35-12776

Dear Mr. and Mrs. Hickman:

In the process of researching your recent water right ownership change, I discovered an error on the above referenced water right. Our office mistakenly recorded the legal description in the **NENE** of section 5 when it should be the **NWNE** of section 5. An aerial photo is enclosed for your information.

Unfortunately, we cannot fix the error. If you want the water right corrected, you must fill out the enclosed "Application for Transfer" form and pay an additional \$100.00.

If you have questions about this matter, please contact Water Rights Supervisor Dave Carlson at 525-7161.

Respectfully,

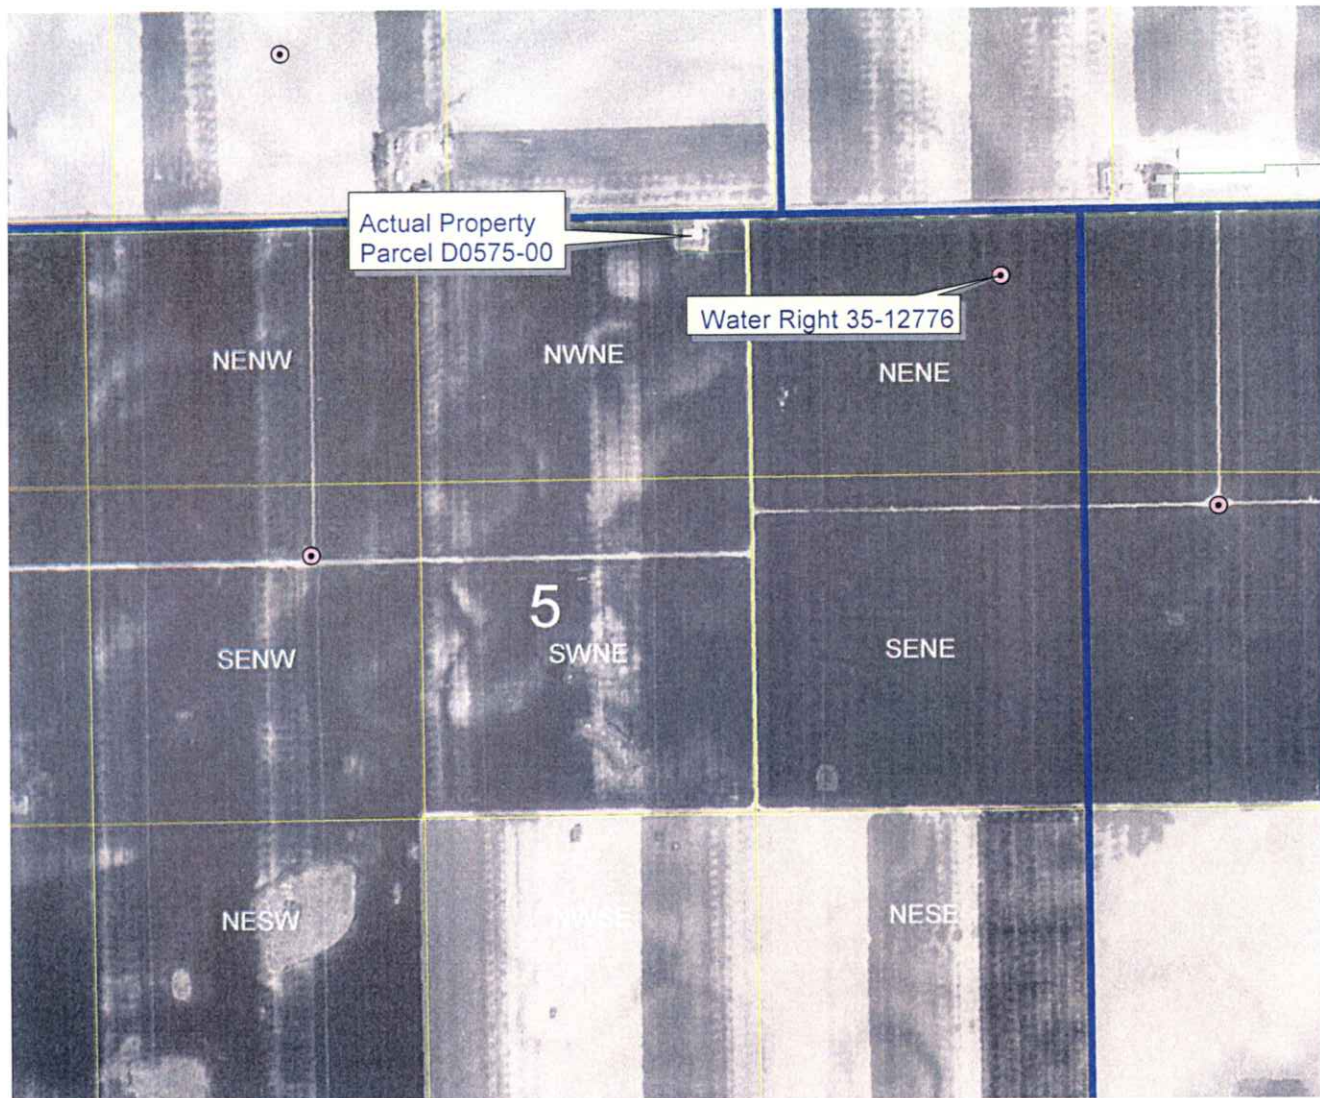

A handwritten signature in cursive script, appearing to read "Jennifer Cratfield".
