Idaho Department of Water Resources

Mr. Carlson,

This is concerning the water rights on the Roy Miller ground, approximately 40 acres. Lyle and Lynn Schiess (Schiess Brother's) have rented this piece of property since the mid 1970's approximately 1975 or 1976, until Mike Reed bought the place. We had enough to water all the ground. This water came from Paradise Springs.

Sincerely,

Lyle Schiess
