

1-23-01 Th

22-193

- Transfer #1828 moved 50 acres and lcks from NEQQ of Sec 9 to replace 50 acres in SWQQ see it that was transferred in #1829.
- 22-326 + 22-193 swapped land for land and cfs for cfs.
- This transfer limits 22-193A to 2.2 cfs and 110 acres.

22-325

- Jardine owns and irrigates 60 acres of decreed POV. The rest is owned by other people. George Pelton, Shelley Carter, and Gary Lerwill, and Kristen Goulding.
- 22-325 was decreed at 1" to the acre.
 $60 \text{ acres} = 60" = 1.2 \text{ cfs}$
- In Transfer 2883 Gary Lerwill transferred 25 inches to another pod pov did not change. At that time it is believed Lerwill only owned 25 acres of decreed POV.
- There have been subsequent sales and now Jardine owns 60 acres and each of the other people have a claim to the water.
- It is possible the water was withheld in the sales and that Jardine moved that water to his 60 acres through an accomplished change. Or he could have moved it to other land.

22-326

- Transfer 2883 moved POD no change in POV
- Transfer 1828 moved ~~places~~ 50 acres of 326 and 50 acres of 193. ~~Land~~ Rights swapped places.
- Transfer 1828 moved 50 acres and 1 cfs to NE Quarter of Sec 9
- Jardine owns ~~46~~ 52 acres in W $\frac{1}{2}$ SE of Sec 4
- 326 was decreed at 1" to acre. 52 acres = 52" = 1.04
- In total for this right Jardine could have 2.04 cfs but only claims 1.8 cfs.
- It is my opinion that 22-326 should be recommended as follows based on decreed land each person owns and based on transfer 1828,

Terrell Kay	3.56 cfs 2.66 cfs (land owned)
Garry Iernill	.5 (transfer 2883)
Garry Jardine	2.04 (land owned)
Unclaimed	.4

- To accomplish this a late amendment by Jardine and some late claims may need to be filed.
