I, Lynn Herbst object to the priority date 1/8/1908 on water right 74-0741.

On May 26, 1873 JB Pattee claimed all the water that would run or be carried in his ditch from Agency Creek for his ranch, reference in water right Book A page 138.

August 29, 1914 in a court hearing, Book B of Judgement page 181 & 182, Henrietta Pattee, prior owner & plaintiff verses William Carpenter defendant an affidavit of FB Sharkey, speaks of a ditch just east of road from Sunfield to Junction. Ditch head is 100 feet from road in Agency Creek, water right filed May 26, 1873. Sharkey states water was traded to Indian Department in exchange for a ditch & water right from Lemhi River now L-31A Diverson. Ditch would be correct elevation to irrigate same ground as May 26, 1873 water right out of Agency Creek. Water right filing of 10,000 inches out of Lemhi River June 22, 1886.

The following speak of said ditch.

Affidavit of Stephen A. Mahaffey Senior

Affidavit of Dwight A. Smith

Affidavit of C.L. Smith

Court rules in favor of Defendant that right was traded.

Affidavit of CW Snook dated March 26, 1910.

Affidavit of FB Sharkey July, 1910.

Affidavit of John W Snook dated March 3, 1972, that Joe Pattee Ranch now owned by John F Herbst was irrigated from Indian Ditch in 1888, now owned by Lynn A. Herbst.

In 1907 or 1908 for a more consistent water flow a point of diversion change was made for a portion of the ground irrigated from Lemhi River since June 22, 1886, now L.31 water right #74-0741.

I believe the ground irrigated by 74-0741 has been irrigated since May 1873 from Agency Creek until June 22, 1886 when right was traded for ditch & right out of Lemhi River. Currently ground that is still irrigated out of L-31A, the original Lemhi River Ditch water right # 74-0739 has a priority date of May 26, 1873.

Based on this information I believe that 74-0741 priority date should be May 26, 1873, for it has been continuously irrigated since that date.

William M. Carpenter et al.
D e f e n d a n t s .

STATE OF IDAHO,
SS
County of Lemhi.

F.B. Sharkey, being first duly sworn according to law,
deposes and says:

I.

what now is
That he is and has been a resident of the County of Lemhi,
State of Idaho, for the last Forty-four (44) years, and during that
time has resided continuously since the fall of 1872 approximately
one and one-half miles from Agency Creek, so called.

II.

That the buildings first erected on the Lemhi Indian Reservation
for indian and government purposes, were situated near the mouth of
Agency Creek a short distance easterly of the road leading from Sun-
field to Junction, and that the persons and officers thereof, then
in charge
first began to use the waters of said Agency Creek for beneficial
purposes.

III.

That about the year 1886 this affiant in a conversation with
J.B. Pattee, now deceased, one of plaintiffs' predecessors in inter-
est in their claim to the right to, use the waters of said Agency
Creek, as he has been informed, ~~said J.B. Pattee~~ *now* informed him that
he said J.B. Pattee
he had entered into an agreement with the government through the
officials of said Lemhi Indian Reservation, whereby said J.B. Pattee
had relinquished all his right, title and interest to the Waters of
said Agency Creek to the U.S. Government for its Indian Department,
in consideration that said Government *would* construct for him a ditch

that would convey and conduct water from the Lemhi River at a sufficient elevation to irrigate the land which he was then in possession of; that thereafter said ditch was so constructed by the U.S. Government, and thereafter the said land of the said J.B. Pattee was irrigated therefrom.

IV.

That thereafter the land now occupied by said Carpenter was reclaimed, irrigation ditches constructed thereon, and water appropriated ^{said creek} ~~therefrom~~ ~~for irrigation~~ and used for irrigating the same up to the time the said improvements were offered for sale in 1907 by the U.S. Government.

V.

That the point of appropriation of water from said ~~Agency Creek~~ Agency Creek by said J.B. Pattee prior to said alleged contract of release to the U.S. Government was situated approximately between fifty and one hundred feet easterly of said road, and at no time was indicated to be further up said Creek and further easterly of said road, by any ditch, or head gate constructed by said J.B. Pattee.

VI.

That said ditch constructed by the U.S. Government pursuant to said contract with said J.B. ~~Pattee~~ is still in existence and capable of conducting sufficient water to irrigate all the land that was irrigated ~~therefrom~~ by water from Agency Creek prior to said contract ~~which~~ and owned by said Pattee.

VII.

That land now occupied by ~~xx~~ Fred H. Pattee and Joseph L. Pattee is also capable of being irrigated from said Lemhi River Ditch,

VIII.

STATE OF IDAHO

County of Lemhi.

C.W.Snook, being first duly sworn according to law, de-
poses and says:

1.

That he is and has been a resident of what now is the County of Lemhi, State of Idaho, for the last thirty years, and during that time from the fall of 1907 to 1909 resided on land and premises lying immediately west of land now occupied by defendant, William M. Carpenter, at a place nearer the mouth of Agency Creek, and that for twenty-two years prior to said 1907, affiant resided about seven miles distant from said Agency Creek, during all of which time he was acquainted with conditions existing as to the use of water from said Agency Creek.

11.

That he is well acquainted with a certain ditch constructed for the purpose of conducting water from the Lemhi River at or near a point of the bluff about three or four hundred yards above the so-called High Bridge, in a northerly direction to and on to the lands of the plaintiffs in the above entitled action, and that in conversations had with the plaintiff Fred B. Pattee, the said Fred has claimed the ownership of said ditch and the right to use all the water therein for himself and the other plaintiffs herein.

111.

That said Lemhi River Ditch before reaching lands of plaintiffs emptied its water in to said Agency Creek at a point westerly of land

of said William M. Carpenter nearer the mouth of the Creek, and about fifty yards easterly of the road leading from Sunfield to Junction; and a short distance below ~~xxxxxx~~ said point where the waters of said ditch were emptied in to said Creek, the said Plaintiffs, and their predecessor in interest always had their headgate up to the fall of 1909, and never did have any head gate on or above land occupied by said Carpenter.

IV.

That all and the same lands of plaintiffs and their predecessor in interest are capable of being irrigated from water flowing in said Lemhi River Ditch as were ever irrigated from water taken from Agency Creek prior to the construction of said Lemhi River Ditch.

V.

That affiant in conversation with J.B. Pattee during his lifetime, and the plaintiffs herein was informed and given to understand that the said J.B. Pattee had entered into some kind of an Agreement with the Indian Department of the United States Government whereby he had acquired the ownership of said Lemhi River Ditch and the waters therein flowing in lieu of certain rights relinquished to the use of water from said Agency Creek.

VI.

That affiant has no interest in the above entitled action whatsoever.
