*cc IDWR Document
Depository*

To Whom It May Concern:

I am writing this letter to request permission to file a late objection regarding the following water rights:

Irrigation:	37-570B (in review)
Domestic & Stockwater	37-14268 (partially decreed)

My name is Jenna Rovig. I am the daughter of Robert A. Busch and now the executor of the Estate of Robert A. Busch. It appears that my father (Robert Busch) made multiple requests and petitions between the years of 1989-2003 to obtain 11 acres of irrigation water rights for his property located in Fairfield. After speaking with a Mr. Matt Anders, it appears my father was given the opportunity to object to the allocated water rights of 2.2 acres by May 23, 2007.

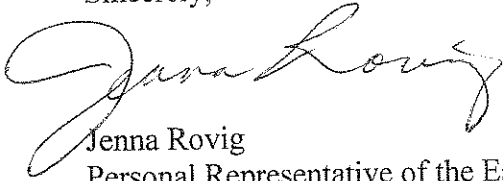

I now request permission to file a late objection regarding the above water rights based on the following facts. My father and step-mother were killed on January 2, 2004 when an avalanche hit the Fairfield cabin they resided in. My parent's primary address and home were in Seattle, Washington (2311 14th Ave. East). As executor of the estate, I made all of the appropriate address changes to those mailings I was aware of. We requested all other mailings be forwarded to our home address in Boise – this occurred for one year (to January 2, 2005) per the postal services guidelines. Therefore, we have received no mailings or notifications from SRBA or the Idaho Department of Water Resources regarding the apparent objection deadline of 5/23/2007. We are currently in the process of re-evaluating what we wish to do with the cabin and its' property. In doing so, we discovered the extreme actions my father took to seek the above water rights, the importance of these water rights, and subsequent to his death – the chance of losing any suggested water rights due to lack of correspondence. The cabin and property itself had been my father's dream beginning in 1973. He took great pride in the restoration, maintenance, and preservation of the cabin and the land that surrounds it. From records that were left at the cabin – it appears he spent a great deal of personal time, emotions, and finances in order to seek these water rights.

Therefore, I respectfully request to file a late objection in order to secure the water rights that were previously requested by my father. I have enclosed the following documents per the suggestions of Mr. Anders:

1. A letter addressed to IDWR with the new address and documentation showing myself as the personal representative for the Estate of Robert Busch.
2. Completion of Form SF-1

I look forward to hearing from you so that I may object to the quantity of water rights that were being considered by the IDWR. I will begin to prepare documentation to support my father's previous request for water rights to irrigate 11 acres around his home. I thank you for your time and ask that you please contact me regarding any further questions or concerns.

Sincerely,

A handwritten signature in cursive script, appearing to read "Jenna Rovig".
