RE: Objection to SRBA Recommendation 67-14480

I spoke with Jeanne Gettle today regarding her water right recommendation 67-14480. It appears that the POU acreage recommended for 67-14480 which was the size of the tax lot polygon in ArcView.

Ms. Gettle spoke with the assessors office and based on the information she obtained from them, feels that the recommended POU for 67-14480 should be changed to 9.5 acres.

67-14480 is a split of parent license 67-2209. 67-2209 was originally licensed for 20 acres and claimed for 20 acres. Claim 67-2209 was split into:

67-14480:	Gettle	10 ac
67-14577:	Mattern	5 ac
67-14578:	Bumgarner	5 ac

Both Mattern and Bumgarner were recommended their claimed 5 acre POU.

In my conversation with Ms. Gettle, I told her that based on the available information, that I would support changing her recommendation from 8.2 acres to 9.5 acres as we discussed on the phone.
