RE: Change of ownership for 67-297B

I last corresponded with Mr. Pattee by letter April 13, 2007, in follow-up to phone conversations January 31 and February 1, 2007, requesting further information regarding a change of ownership filed. As of today, I have heard no further correspondence. The change of ownership cannot be completed without the requested information.

Per change of ownership form, Martha Rose Pattee should be removed as current owner. Per language of the deed, Martha Rose Pattee stays as a current owner because she has a life estate interest. If we get the requested documentation, Martha Rose Pattee should stay as a current owner per language of the deed.
