Discussion of right origin and split history. Questions and problems.

Only part of original license is claimed. Additional lands to the east are also irrigated from this POU but this does not seem to be a split of this right, but instead a separate Bu right. Claim references A22-10021.

Land is currently being developed. Richard Smith (operator) states that a transfer will be filed.

Please send copy of preliminary recommendation to Richard Smith, PO Box 8, Rexburg ID 83440
