Discussion of right origin and split history. Questions and problems.

Only part of original license is claimed. Additional lands to the east are also irrigated from this flow but this does not seem to be a split of the right, but instead a separate Bu right. Claim references A22-10021.

Land is currently being developed. Richard Smith (operator) states that a transfer will be filed.

Please send copy of preliminary recommendation to Richard Smith, PO Box 8, Rexburg ID 83440

22-10021 is Renumbered to 22-2175B to reflect an accomplished transfer of 78 acres of the original license.
