RE: 77-14277

Dear. Mr. Knoblock;

Last year we sold a portion of our Mackay Bar Ranch to Mackay Bar Ranch, LLC. They have applied for their water right included in the sale and you responded to them on June 22, 2007. Mackay Bar Ranch, LLC is requesting a portion of their water right be allocated to hydroelectric power use and you asked for documentation of power production.

Mackay Bar Corporation has owned and operated the Mackay Bar Ranch since the 1960's. Sometime during the 1960's a hydroelectric plant was installed at Mackay Bar Ranch. This hydroelectric plant has been in use since it's installation. We do not have documents from that period for the purchase and installation of the plant. I can provide you with names of neighbors and associates who can testify to the length of time the plant has been in operation. If you should require those, let me know.

Sincerely;

Yvonne Goundry
General Manager
