Subject: ConAgra Late Notice of Claim for 47-17438

Hi Sally-

I spoke with Nick Spencer and we are working on getting that ownership change for to you. ConAgra owns many water rights outside of Beeman & Associates' representation, so we might just be sending you the change in ownership for only 47-17438 right now. ConAgra is such a big company, that it might take a while for us to obtain copies of the appropriate deed of sale/transfer forms, but we are working on it.

In the mean time, we really do not want this holding up processing ConAgra's claim. Our hope is to get the investigation underway as soon as possible and be included in this fall's late claim report. So if there is anything that I can do to assist you further, please do not hesitate to contact me.

Thanks, Anna. I've just scanned your pdf. ConAgra can put all of their water right nos. on 1 ownership change form. Please don't use a separate form for each w/r no.

Hi Sally-

Attached to this email is a scanned version of the Idaho Frozen Foods Corp employee handbook (just the handbook cover and page 2) as referenced in the Late Notice of Claim for 47-17438.

I will get back to you with those change of ownership forms. Please call if I can provide you with any additional assistance.
