IN THE DISTRICT COURT OF THE FIFTH JUDICIAL DISTRICT OF
THE STATE OF IDAHO IN AND FOR THE COUNTY OF TWIN FALLS

Case No. 39576)

STATE OF IDAHO)
) ss.
County of Madison)

Mel Dickerson, having been duly sworn, states under oath as follows:

1. I am a resident of Madison County, Idaho and reside at 1161 N 2582 W, Rexburg, ID 83440.
2. I certify that I was an employee for Madison School District from 1977 to 1995. I started installing sprinkler systems for Madison School District in 1979. I installed sprinkler systems for all schools in the district by the end of the summer of 1985. During this time I also cared for the grounds of all of the elementary schools in the district.
3. The south end of the Burton playground is poorly represented in the map

created by the Idaho Department of Water Resources. The south end is actually squared off and I certify that this section was watered by the new sprinkler system I helped install by at least 1985. The present IDWR map's southern boundary cuts out at least 1.4 acres of land that has been irrigated since the early 1980s. I have attached the IDWR map with the changes I have made to more accurately reflect the correct area which has been watered since the sprinkler system was installed in the early 1980s.

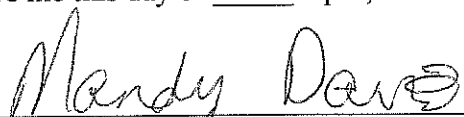

4. The north boundary of the IDWR map for the Lyman Elementary School is too far south. As it is drawn, it cuts off at least 1.6 acres of the playground. This cut-off portion was also watered by the new sprinkler system by 1985. I have attached the IDWR map with the changes I have made to more accurately reflect the correct area which has been watered since the sprinkler system from 1985.

Dated this 26th day of April, 2006.
