RE: Water Rights Claims Numbered 22-466, 22-467, 22-468, 22-57

Dear Allen,

On March 9, 2005, I wrote you a letter concerning the above numbered water claims, and attached to that letter claimants "Notice of Error, Reply" for each of the above numbered claims. The problem on each claim was the Department's proposed recommendation that the claims should be disallowed on the Department's belief that they had been forfeited/abandoned due to non-use from 1975-present.

In paragraph numbered 3 in said letter, I told you that Shane W. Ure was prepared to give a sworn statement refuting the Department's recommendation. I submit herewith the affidavit signed by Shane W. Ure for each of the claims and ask that the submission for each claim be amended to include said affidavit. The copies of the pertinent deeds were sent to you with our submission dated March 9, 2005.

Also in paragraph number 3 in said letter, I told you that Jim Wilson was prepared to give a sworn statement refuting the Department's recommendation. I submit herewith the affidavit signed by Jim Wilson for each of the claims and ask that the submission for each claim be amended to include said affidavit. The copies of the pertinent deeds were sent to you with our submission dated March 9, 2005.

To effectively amend claimants submission, a copy of this letter and the affidavits should be filed in each of the above numbered claims individual files, so that each claim will have its full packet of documents that we have submitted.

I feel very strongly that each of these claims should be allowed as claimed. However, if you and any other investigators and IDWR staff feel otherwise, I would appreciate being advised before your recommendations go to the court, so that I can call and make a personal appointment to meet with you and any other parties you suggest. Further, if you desire to, feel free to call me now or at any time. These are valuable water rights and should not be disallowed.

Sincerely,

A handwritten signature in cursive script that reads "Ray W. Rigby". The signature is written in dark ink and is positioned above the typed name.
