Hi

Hope you're feeling better! We just whited out the Certificate of Mailing and had Katie file the NAP from here. So no problem and it's all taken care of. You'll need to snag a copy off of PowerDocs for the claim file (if you put copies of those in the claim files). Thanks for your help and have a great Thursday!! Vicki

Hi. Sorry for the late reply. I was sick yesterday. I wasn't sure what Chris wanted. I assume he wanted an original for the hearing, and I guess I didn't think about the mailing page. I will send you a data entered NAP without my signature. I hope this will work. Thanks, Jen

Hi Jennifer

Hey I just noticed that the Certificate of Mailing on this NAP is filled out. If you want to send me just a blank one, we can file the NAP from here. Or did you have something else in mind? Thanks - Vicki

Hi Vicki. I just faxed you this NAP. Ernie will be in Boise tomorrow and Thursday, so I am hoping you can find him to sign it. Thanks, Jen

Nate,

Would it be possible to get that NAP done before Thursday morning? I'd like to be able to fax it to SM Dolan before the hearing if it's possible.

Andrea,

I've been almost completely devoted to working on Whittaker water rights for the past few weeks, but I did meet with Velma Mahafey this morning and drew up a transfer for water right 74-15537. A copy of the transfer is attached and we should have the NAP out the door in the next few days. Edwards and Seaberg are most likely on course to trial. Don found all of the missing 321 water and new claims have been filed.

Vicki,

Could you please have someone get the information on this case into the file for my review.

Thanks!

Chris,

Since you have a scheduling conference on Thursday for this one, I wanted to make sure you knew about the transfer.
