RE: Notice of Claim A22-00276A
Harold K Dunn Trust

Dear Charles:

Enclosed for review and signature is the above referenced
Notice of Claim.

The Notice is supposed to reflect that portion of decreed
right 22-00276, appurtenant to land purchased by M.D.
Dunn. Based on the information you submitted and the
water right record, this appears to be half of the
original right. To make changes on the Notice simply line
through the information to be changed, write in the
correct information, and have M.D. Dunn initial each
change.

When signing the Notice, M.D. Dunn will need to fill in
the "organizational signature" block and have his
signature notarized. You will need to complete the Notice
of Appearance at the bottom of page 3.

Naturally, feel free to contact me if there are questions
concerning this Notice.

Respectfully submitted,

Ernest Carlsen
Adjudication Supervisor
