¹ The Case Management Proposal prepared by the Idaho Department of Water Resources and filed with the SRBA District Court on June 8, 2007, identifies water right 78-00206A as a water right to which no objections have been filed, but which may be affected by the outcome of the contested matter in subcases 78-00182, 78-12128, and 78-12165. See I.C. § 42-1412(7). Accordingly, because the initial hearing for the contested as well as the uncontested claims needs to be held at the same time, it is necessary to reset all of the above-captioned subcase.

In Re SRBA

Attention: Special Master - Theodore R. Booth
Diana Delaney

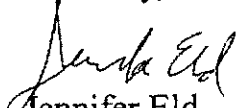

This is a Motion to Reset the Initial Hearing scheduled for Wednesday, September 12, 2007 at 2:00 PM at the Idaho Supreme Court Building in Boise, Idaho.

I am requesting this Motion to Reset due to the date is 2 days before my second child is due, and the location is 2 ½ hours from my home, and the hospital where I plan to have my child.

I have spoken to Diana Delaney and Becky Harvy (Paralegal with the Dept. of Water Resources) regarding the circumstances, and they have said that on Thursday, September 13, 2007 the SRBA Court will be held in New Meadows, Idaho. As you may have already realized this location would be feasible for all parties involved, including especially myself and my mother. The properties involved are also located in New Meadows, Idaho.

Thank You for your consideration of my circumstances, and the fact that my mother and I will be unable to attend the Hearing scheduled for September 12, 2007 in Boise, Idaho. Please consider rescheduling for September 13, 2007 in New Meadows.

Sincerely,

Jennifer Eld
