RE: City of Victor SRBA Water Right Claim 22-566A

Dear Mr. Ruberry,

In response to your letter regarding evidence of the priority date of June 1, 1896 as claimed by the City of Victor I am submitting an affidavit and a copy of an "ORDER GRANTING CHANGE OF POINT OF DIVERSION" as granted to the City of Victor on October 4th, 1956.

Within the Certificate of the Change of Diversion, the Department of Reclamation acknowledges that the city has a priority date of June 1, 1896 as verified by a District Court Decree that was decreed on December 16, 1910.

The Certificate also references that the City of Victor (referred to as the Village of Victor) is the owner of the water right and was using such water right.

The Court Decree is entered into the records of the Department of Reclamation in Volume 3 of Decrees, beginning at page 450 thereof.

If you require any additional documentation, please don't hesitate to contact me.

Sincerely,

Stephanie J. Bonney
Victor City Attorney
