Recommending 22-2192 according to license; however, I could only find 454 of 458 ac. Enlargement 22-13480 is claimed for 65 ac, giving a total of 523 ac. claimed. Since I was short 4 ac. on licensed POB, I did an accomplished change for those acres and recommended 458 ac. under license and only 61 ac. for enlargement for a total of 519 ac.
