James H Davis

being first duly sworn,

deposes and says: _____

In 1971, while I was employed by Lloyd
Roberts, owner of Big Rock Creek Grazing Association, he
hired a local contractor, Gordon Avery with his heavy
equipment to go to the property described and developed ponds and
springs to be used for watering cattle (350 cows and calves)

these springs and ponds have been used by Mr. Roberts since 1971
the springs were in the area of Little Rock Creek, Big Rock Creek,
Moose Creek and their drainages.

I worked for Lloyd Roberts between 1971 until approximately
1984 and went to the property on a regular basis during that
time. Since then I visit the property every year and have
observed Lloyd using the springs for livestock until the present 2005
