Ernie Carlson,

This is the affidavit for winter water stock water for the Saurey-Somer ditch/canal. It is the water master reports for 1979-1987.

We are requesting 3 CFS. Depending on the winter, the ditch sometimes ices over, but we want to continue running water for recharge.

I will call you on Dec. 27. We have a meeting scheduled for Jan 16, 2006. After looking at a calendar we've realized it was Martin Luther King day. Will you be open on that day?

Thank you
