Mrs. Crabtree,

Here is your letter back as per our conversation this afternoon. I also have included some pages from our property taxes and assessment, which give the description and acreage of our property. In looking over those, it does appear that Section 7 mentioned in your letter, is in the description.

We are not using the irrigation water and we have a well. It might be nice to have the water rights in case we ever sell, but I don't know how to go about getting an aerial photo, etc. If I still need to fill out the form because of the Adjudication mentioned in your letter, please

see it back. But as far as we know the water
rights of our property belonged to Don and Midge
Boyle who farmed the property below ours, east
of ours.

Thank you for your attention.

RE: CHANGE IN WATER RIGHT OWNERSHIP FOR 22-13149,
22-13150

Dear Sir or Madam:

It has come to our attention that you may have recently purchased a tract of land in Teton County. The property to which I am referring was most recently owned by Don & Madge Boyle. The legal description is as follows:

T03N, R45E, S7 & S8, 146.2 acres

This property was filed on in the Snake River Basin Adjudication (SRBA), and we recommend that if, in fact, you now own the property in question, you file a "Change in Ownership" with this department in order that we may send all further correspondence to the appropriate owner(s).

Enclosed is a Change in Ownership form. Please fill out the form completely, sign and date it and return it to my attention along with a "copy" of your Warranty Deed and legal description of the property you have purchased.

If you have questions regarding this matter, please call 525-7161.

Respectfully submitted,

Jennifer Crabtree
