Re: Water Right 63-5357

Dear Ms. Black:

After you left the SRBA Court today, I realized that one of your water right numbers, 63-5357, was not objected to by Wilder Irrigation District. Only water right number 63-5358 was objected to. Therefore, it was not necessary for you to file a ***Standard Form 2 Response to Objection*** form for water right number 63-5357. I apologize to you for not checking both numbers in the computer while you were here in our office. Consequently, I am returning \$12.00 to you as you should not have been charged for the four copies of the response form for 63-5357 to mail to the other parties listed on the *Certificate of Mailing*.

If you have any questions regarding this matter, please contact our office.

Sincerely,

A handwritten signature in cursive script that reads "Julie Murphy".
